

# ZOO BOO 2012

ZOO BOO provides a safe and enjoyable Halloween experience for trick-or-treaters in our community. With your participation, we can make it a success!

## Rules and Regulations:

1. Booths must have a specific theme.
2. All of your group must be in costume.
3. There must be at least two people staffing the booth at all times.
4. Sorry, no pets or latex balloons allowed.
5. You may begin set-up at 10:00am on Saturday morning.
6. Booths must be set-up and decorated by 1:45pm outside on zoo grounds.
7. There will not be any indoor booths. Please dress for the weather!
8. Teams may not tear down before 7:00pm.
9. All decorating materials must be removed from the zoo on Saturday night unless prior arrangements have been made.
10. Each booth will provide its own candy or treats. We had 3,529 in 2010 and 3,279 in 2011. For planning purposes, expect approximately 2,500-2,800 trick-or-treaters (youth, plus their families since some parents do trick-or-treat)!
11. "Treats" may advertise your business or require them to come to your establishment later to get something free or reduced, but may not be general flyers geared towards parents. Please attach marketing materials to the treat.
12. One member from each team must attend a mandatory Zoo Boo meeting prior to the event. Meeting details TBA.

**Saturday, October 27, 2012**  
**2:00 to 7:00 pm**  
**Bramble Park Zoo**
