

# ZOO BOO 2015

**ZOO BOO provides a safe and enjoyable Halloween experience for trick-or-treaters in our community. With your participation, we can make it a success!**

## **Rules and Regulations:**

1. Booths should have a specific theme—there are prizes to be awarded.
2. All of your group must be in costume.
3. There must be at least two people staffing the booth at all times.
4. Sorry, no pets or latex balloons allowed inside zoo grounds.
5. You may begin set-up at 9am on Saturday morning.
6. You may drive into the zoo to unload and reload.
7. Booths must be set-up and decorated by 12:45pm outside on zoo grounds.
8. There will not be any indoor booths. Please dress for the weather!
9. Teams shall not tear down before 6:00pm.
10. All decorating materials must be removed from the zoo on Saturday night unless prior arrangements have been made.
11. Each booth will provide its own candy or treats. We had 3,336 in 2013 and 3,992 in 2014. For planning purposes, expect approximately 2,500-2,900 trick-or-treaters (youth, plus their families since some parents do trick-or-treat)!
12. “Treats” may advertise your business or require them to come to your establishment later to get something free or reduced, but may not be general flyers geared towards parents. Please attach marketing materials to the treat.
13. At least one member from each team must attend a mandatory Zoo Boo meeting prior to the event on Monday, October 19th at 5:15pm at Bramble Park Zoo.

**Saturday, October 24, 2015**

**1:00 to 6:00 pm\***

**Bramble Park Zoo**
